

Attached please find an application for Associate Membership with the Mechanical Contractors Association of Omaha.

Our Associates tend to be suppliers, factory reps, student chapter members, local utility companies, insurance companies, and attorneys who practice construction law. We currently have 39 Associate Member Companies.

The requirements for Associate Membership are minimal. The applicant must demonstrate some tie to the mechanical industry and pay annual dues in the amount of \$600 for up to 2 people. On occasion, MCA-Omaha will ask for special help, such as donating supplies for our community service projects and assisting in educational seminars.

As an Associate Member of MCA-Omaha you are invited to participate in our monthly meetings and social events, except in very rare cases where meetings are limited to contractor members. Each Associate can send two people free of charge to monthly breakfast and/or dinner meetings. If you bring additional attendees, Association policy requires that your company be billed for the cost of the meals. On many occasions, this has been waived in order to encourage as many of your employees as possible to become familiar with the Association and its Members.

Associate Members do not serve on the MCA-Omaha Board of Directors, vote on policy, vote in officer elections, or otherwise participate in the governance of the Association. However, your input and expertise is always welcome as we prepare monthly member meeting topics and educational programs.

*Please mail your completed application form, contact sheet, and a check for \$600 to:*
