McNeil Scholarship Application Checklist

Application Form

- You must include your unweighted GPA (4.0 Scale). Applicants not providing an unweighted GPA using the provided scale below will be penalized.

Essay

- Maximum of 500 words, word count listed on top right corner
 - 12-point font
 - Double spaced
 - Include why you feel you deserve the scholarship
 - Include a description of your post-graduation plans
 - Optional – Include how you plan on paying for your education
- Essays exceeding 500 words, not in the correct format, or missing the word count will be penalized.*

ACT or SAT Results

High School Transcript

College Transcript (If Applicable)

Post-Marked or E-mailed by March 15th

Additional information will not be passed along to the selection committee. This includes resumes, FAFSA forms, letter of recommendations, photos, etc.

Unweighted GPA Calculation Guide

A+ = 4	B+ = 3.333	C+ = 2.333	D+ = 1.333	F = 0
A = 4	B = 3	C = 2	D = 1	
A- = 3.667	B- = 2.667	C- = 1.667	D- = 0.667	

Convert all letter grades to numbers. Then divide by the number of courses. Do not include pass/fail courses in your calculation.

Example: A, A, B, B+, B- = 4 + 4 + 3 + 3.333 + 2.667 = 17

Divide the calculated total (17) by the courses (5) = 3.40 unweighted GPA

The Charles Martin McNeil and James Patrick McNeil Scholarship Trust Establishment and Method of Award

General

In recognition of the contributions to the Mechanical Industry by Charles Martin McNeil and James Patrick McNeil, members of Steamfitters & Plumbers Local Union #464 and employees of Signatory Contracting companies, established The McNeil Scholarship Trust.

Mission

The mission of the McNeil Scholarship Trust is to encourage dependents of Local 464 members and signatory contractor employees to continue their education in fields of study related to the mechanical contracting industry. Recognizing the cost of higher education, The Trust may offer scholarships to help families with these costs.

Scholarships

The Trust will offer four scholarships each year.

\$24,000 (4-year degree)

- Dependent of a Local 464 Member
- Dependent of Signatory Contractor Employee

\$6,000 (2-year degree)

- Dependent of a Local 464 Member
- Dependent of a Signatory Contractor Employee

Value

The total amount of the funds to be distributed are subject to the terms and conditions of the award. All four-year scholarships will be distributed in installments of \$3,000 per semester, whereas the two-year scholarships will be distributed annually in installments of \$3,000, provided that all eligibility requirements are maintained.

Definitions

Local 464 Member – Current, retired, or deceased member in good standing.

Signatory Contractor Employee – Employees of contractors signatory to the labor agreement between Local 464 and the Mechanical Contractors Association of Omaha who are not members of any labor union.

Dependent Definition

The applicant must be the dependent child of a current or retired member of Steamfitters and Plumbers Local Union 464 who is currently in good standing and has been in good standing for a minimum of two consecutive years preceding the application deadline, a full-time employee of Steamfitters and Plumbers Local Union 464 or 464 JATC, or a full-time employee of an MCA-Omaha Signatory Contractor.

A dependent child is defined as an individual under the age of 26 who is a Local 464 Member's or MCA-Omaha Signatory Contractor Employee's, son/daughter, stepson/stepdaughter, foster child, child legally adopted or lawfully placed for legal adoption prior to the child's 18th birthday, or a child for whom the member/employee has legal responsibility by virtue of a court order for custody and support or maintenance.

Eligibility

Applicants must be planning to enroll or currently enrolled on a full-time basis to any public or non-public degree granting institution in order to be eligible. To continue to receive the scholarship, students must maintain a 2.8 cumulative GPA and maintain enrollment as a full-time student. Grade reports and proof of enrollment must be submitted within 30 days of the completion of each semester for the 4-year scholarship and annually for the 2-year scholarship.

Applicants pursuing a 4-year degree who receive the scholarship as a current college sophomore will receive a 3-year scholarship (\$18,000) and current juniors will receive a two-year scholarship (\$12,000). Likewise, scholarships will not extend beyond the typical 4-year timeline, regardless of if a 5th or 6th year of education is necessary.

In the event that the full-face value of a scholarship is not awarded, all remaining value will remain in the Trust for future awards.

Criteria

The Selection Committee will consider past academic achievement and the future likelihood of success. Students pursuing courses of study that will allow them to contribute to the mechanical contracting industry will be given a preference. The panel may also consider financial need in granting the awards.

Judges

The Selection Committee will include two signatory contractor representatives, the Business Manager and Financial Secretary of Local 464, one representative from higher education, and one disinterested party. The Associate Executive of MCA-Omaha will serve as the non-voting chair of the committee. Decisions of the committee are final.

Timeline
