

MSCA Members,

Your **MSCA hours are service hours** and MCAA hours are construction hours.

Please use the attached form to report your 2025 MSCA hours (service hours) to MCA-Omaha at *kjohnson@mca-omaha.org* each month when you submit your hours to the Benefits Office and/or BeneSys.

Fill in the date, pay period starting and ending dates, and the number of service hours worked. Multiply the service hours by \$.10 for your total dues that will be sent to MSCA on your behalf. (Do NOT send a check, it will be taken out of what you already send.)

This form is a simple way for us to break out your national dues to MCAA and MSCA in a fair and accountable manor.

Please give us a call if you have any questions.
